18:1- Some people make ti Christ but it might not be.

18:2- 14:8

18:2- Devils- plural

- Devils, Foul Spirit, Unclean and hateful bird.

- A city is like a cage and its full of birds.

- Unclean and hateful birds are a picture of foul spirits and devils.

- So a devil or foul spirit will have wings

- What were studing is about devils the new bibles call them demons

- **Mt. 13:19-** wicked one

- What is the wicked on likened to

- Mt. 13:4

- Fowls are pictures of unclean spirits that steal the word of God from your heart.

Mk. 4:15-

- Demons are not a translation it's a transliteration

- A demon in ancient philosophy was considered a good thing

- That’s what made a man a genus he had a peculiar spirit that nobody else had.

- So there was good and bad demons

- In the bible all demons are bad there called devils

- Mk. 4:15- Satan takes away the word.

- What is satan in the passage

- Mk. 4:4- Fowls of the air

- Here he said satan singular and the work was plural

- This shows you that devils are manifestations of the devil.

- This is why their called devils in a King James Bible.

- It's the right thing to call them.

- Now look they interchange

- Mk. 5:18- the devil- singular

- The devil himself possessed that man.

- How did the devil posses him?

- Mk. 5:13- Unclean spirits- plural

- Mk. 5:8- Unclean spirit- singluar

- Mk. 5:12- All the devils- plural

- The devil is the prince of the power of the air.

- He is a spirit

- So right before the devil shows up in all the movies there's a big gust of wind.

- Acts 2:2- rushing mighty wind- Holy Spirit

- Devil is a spirit and God is a Spirit

- Jh. 4:24- God is a Spirit

- All the false bibles change it

- NIV- God is Spirit

- ESV- God is Spirit

- This doesn't say anything

- God is a Spirit in distinction from other spirits.

- The angels are ministering Spirits to say God is Spirit is nothing.

- Heb. 1:14

- The devil is spirit- so what

- Jh. 4:24- When Jesus says this it is in distinction from other spirits

- There are other spirits, their called unclean spirits

- Mk. 5:2, 8-9, 12-13, 16-18

- Their called devils

- When a man is possessed by the devil he is not demon possessed

- Demon is the plural,

- He is devil possessed

- Christ drank the cup of the wrath of God and became sin for us, who knew no sin.

- Now he get his payment back

- This will be a glorious day for Christ, He earned the right to revenge his blood.

- Rev. 19:13- dipped in blood

14:20- Winepress

- Anywhere from 6 feet to 15 feet across and the grapes are dumped into the press and the man takes off his shoes and washes his feet and steps in and stomps the grapes.

- This is a big time of rejoicing when they do it.

- As they stomp the grape juice goes everywhere very messy.

- It's a picture of when Christ comes back he gets blood all over him like a person who stomps the grapes.

- He is shouting and rejoicing while he is doing it.

- Isa. 63:1- Edom south of the Dead Sea

- Christ answers- I that speak in righteousness mighty to save

- Ps. 78:65

- The wrath of God has been stored up for 20 centuries

- When he comes back you had better be on the right side.

- Isa. 63:4-6

- So what we have here is a post Tribulation rapture that is called the harvest of the earth

- Then you have armageddon when Christ comes back to stomp on his enimies.

14:19-The great wine press of the wrath of God

- Christ drank that cup

- The devil possess a man with devils

- And those devils are spirit beings that come from the spirit and they have wings.

- This is why their called fowls of the air.

- The man in Mk. 5 had a 1000 in him.

- If this man had a 1000 in him then they would have to be very small.

- The Bible is always its own best commentary.

- Scripture with scripture is always the best way to find out what the scriptures mean

- When a man is crazy they say he is Bird brained or he has Bats in the belfry

- Ecc. 10:20- What ever they are they have wings.

- There is something that has wings that can hear what you say and goes and tells what you said.

- She sells herself to the world- she's a prostitute.

18:2- It's filthy

18:3- Its drunken

18:3- Its commercial- the merchants

18:4- Its pagan- God told his people to get out

18:7- Its proud- I sit a queen

18:9- She's popular- everyone shall see her

18:10- She's mighty- that mighty city

18:12- She's rich

18:21- She's doomed

18:5- She's damned

14:20- Without the city- outside of Jerusalem

- Rev. 19:14- This is us

- The fire in **Mt. 3:11** is not the power of the Holy Ghost but a lost sinner being baptized in fire as he get throwed into the lake of fire

14:18- Gather the clusters of the vine

- Not the earth but the vine

14:18- For her grapes are fully ripe

- Christ is the true vine and his members are the branches

- This is the devils body and his members are branches and they bear grapes of wrath.

- Deu. 32:32-35- 2nd Advent

- Deu. 32:35- To me belongeth vengence

32:36- The lord will judge his people

- That's the book of Hebrews

32:38- Is the false worship

32:41- 2nd Advent

32:43- Millennium

14:18-19- This harvest is the harvest of the vine

- They harvest the anti-christ people

14:19- This matches **Mt. 13:30, 38-43**

- Mt. 13:30- Gather the wheat into my barn matches

- Rev. 14:15-16

- Mt. 13:38-42, – Rev. 14:17-20

- It's a doomed, damned city that's in fellowship with the world and the world with it.

- It commercially works with the world.

- Read the book "Vatican Billions"

- This is the only Church that helps people get drunk.

- It owns distilleries and sells liquor

- They own 60% of Millers, and they own Christian distilleries in California.

18:4-5- This church is going to be judged

18:6- She's going to get twice back what she gave out

- The Cat. (Catholic) church has been dishing it out for 1500 years

18:7- All roads lead to Rome

18:8- In the dark ages from 500 AD to 1500 Ad she burned, starved and tortured Christians

- So now she's going to burn

18:9- She's political- she controls kings

- The college of cardinals is a religious united nations

- The college of cardinals is a league of nations

18:11- All the merchants are connected with her

- The united European market will come in league with Rome

- Rome is the center for the distribution of food

- 10 Bankers met in Rome

- All the food and money is locked in one city and they will control the whole thing

- The 10 kings in 17 start her burning and the Lord finishes it.

18:11- The Cat church has to big commercial holidays in which more money is spent on these two holidays then in the whole year

- Easter and Christmas- both are religious holidays.

- Christmas is so big you can't preach against it on the radio they will kick you off.

- You can't kick Santa Claus

18:12- Gold is first on the list

18:13- Look what's on the last of the list- souls of men

- They put no value on the souls of men.

- Gold first you last

18:12-13- This is a commercial outfit.

18:13- Slavery is common in the future

18:16- 17:3-4- Matches

18:17- Literal Babylon is not a sea port, it's Rome.

18:19- 19:2-3, 14:8, 18:21,10,2

- It is said 3 times she is judged.

- The Tribulation saints are said to be the harvest of the earth.

- There's a rapture right before the 2nd Advent of the Tribulation saints who have endured unto the end.

- That rapture is like someone in a cloud with a sickle harvesting the earth.

- These are Tribulation saints that are brought up and the first fruits of that group are the 144,000.

- Moses and Elijah will also fo up at the same time

- Rev. 11:12

- Our rapture is different.

- Christ is the first fruits, then those at his coming then cometh the end, then the first fruits of it.

1- Christ the first fruits and OT saints – First fruits

2- Church – Harvest

3- Tribulation saints – Gleannings

14:17- At 17 a different harvest is starting

- Its another angel and another sickle

14:18- This is another angel

- He has power over fire

- Mt. 3:11- Holy Ghost and Fire

14:17-18- Read very carefully

- The angel in **18** is not Christ of **14**, that angel is **17**

- Christ in **14**, harvest in **15-16**

- There are two different harvest in these verses.

- When Christ is through with his harvest then the other angel thrust in his sickle and harvest **17-20**

14:14-15- The harvest of the earth

- Jam. 5:7- Talking about the saved

- The precious fruit of the earth

- Jam. 5:18- ...and the earth brought forth her fruit

- Rev. 14:3- 144,000 was redeemed from the earth

- Rev. 14:4- These were redeemed form among men

- Before Christ comes back and lands on earth at Armageddon on his white horse and steps on his enemies and kills them before this he shows up on a white cloud with a sickle and harvest the earth.

- When he reaps that harvest the first fruits of that harvest that come up are the 144,000 male virgins of the 12 tribes of Israel.

- Their caught up there, the first fruits

- First fruits- their the first in a series that are going to come up.

- And the series that are coming up following them are Tribulation saints.

- Dr. Ruckman says above us in the great deep are isles or islands and their called rings of fire or flames of fire or isles of fire. Its like what ever up there burns like the sun is called an isle

- In Isa., Jere. and Eze. Babylon is addressed as Tyre

- The devil is called the Prince of Tyrus in Eze. 28

- Tyre is a key city of Nineveh, that is the Assyrian the type of the anti-christ

- Babylon is the key city of Chaldea and their leader is Nebuchadnezzar a type of the anti-christ

- You get all this together with a female deity in Zech 5 in an ephah with 2 storked winged women carrying her.

- Queen of heaven- female- Ashtoreth you get the impression that some where in the universe there is a female power and worshiped as a goddess.

- She will be represented by a city because the Bride of Christ is represented by a city New Jerusalem

- Whatever this city is it is in competition with New Jerusalem.

- The city in chapter 18 is connected with a woman like New Jerusalem ita a bride like New Jerusalem.

- Dr. Ruckman says it's a double application there's another city in the great deep or in heaven and its cast down into the deep or the earth, and it will be on fire.

18:21- The city will be throw down

- The picture is the city will go down like a mill stone being cast into the water it comes down through the universe on fire.

Cat- greek- sanskrit the root of Cat = mother

- Catholic- Cat- holic

Mother- holic

- Holic= wholly holly given to mother

- 1Sam. 1:5-6- Her adversary- Who is she?

- This is a female adversary

14:9- It seems the literal city of Babylon will be rebuilt before Tribulation

- Zech. 5:5-11

- Zech. 5:11- The plain of Shinar is where the Tower of Babel was built.

- **Gen. 11:1-3**

- We know Rome is Babylon but these passages could have a double application.

- This part of the world is one of the richest parts of the world OIL it could easily be rebuilt

14:10- Cup of indignation

- This is the cup that Christ took

- Ps. 75:8

- This is the cup that Christ is praying about in Gethsemane

- Lk. 22:42

- He is not talking about physical death but the wrath of God on sin.

- Rev. 11:18- ...and that thou shouldest give reward unto thy servants and the prophets

- This is the Great White Throne not the Judgment seat

14:14- Christ

- Rev. 1:7

14:14- Hear he is not on a white horse in Rev. 19 but he is on a white cloud.

- He must be on a throne in a cloud sitting

- Here only 1 golden crown, Rev. 19 many crowns

- Here a sickle, 19 sharp sword goeth out of his mouth

14:14- Looks like the 2nd Advent but its not.

- It has to be some kind of appearance before the 2nd Advent.

- Rev. 6:16- This took place before the Tribulation was over.

- From the face of him that sitteth on the throne.

- 6:16- He is sitting on a throne not on a horse

- So there is an appearance before the 2nd Advent.

- Mt. 26:64-65

- They accused the Lord what the anti-christ is guilty of.

- Christ makes an appearance right before the 2nd Advent not to conquer but to harvest

- 14:12- From that moment on salvation changes to faith and works.

- 14:13- And then from **14:12** on blessed is he who dies in the Lord

14:13- And their works do follow them

- There's a difference, our works go ahead of us.

- These people's works come after them.

- Anybody who dies in the Tribulation their works follow them and they come up at the Great White Throne Judgment and they are judged by their works.

- So if a man dies in the Tribulation or Millennium his works come after him.

- Our works are judged ahead of time at the judgement seat of Christ.

- Our works are at the judgment seat of Christ and our works are up there waiting on us to get up there.

- Our works will be tried in the fire.

- You don't hear this kind of teaching except from a Bible believer

- The saved from the Church age will not be judged at the Great White Throne Judgement.

- There will be saved people there from the Tribulation and the Millennium they will be judged by their works.

- How do we know this?

- 2Cor. 5:21- For he hath made him to be sin for us...

- Christ took the cup, the cup of his indignation and suffered the wrath of God for us.

14:10- Brimstone- sulfur

14:10-11- These are two strong verses on the eternity of hell and the conscience torment in hell

- To say hell is the grave in the light of these two verses crazy.

14:10- He shall be tormented with fire and brimestone

- No body in the grave is tormented fire or brimstone

14:10- In the presence of the holy angels and the Lamb

- The grave is not in the presence of the holy angesl

14:11- The smoke of their torment

- There is no smoke in the grave.

14:11- No rest day nor night

- When the saints die and they are resting so silently their said to be asleep.

- If a lost soul is annihilated then why does he have no rest day and night

- The smoke of their torment ascends up for ever and ever.

- Its not just smoke it's the smoke of their torment.

- Their not burning up their smoldering

- These people will suffer in the lake of fire on earth in the millennium.

- Mt. 25

- Dan. 12

- 2Th. 1

- Dan. 12:2- Daniel is talking abut the final resurrection

- Everlasting life- forever

- Everlasting contempt- forever

- The guy will die and wake up in everlasting contempt

- There is no annihilation

- Mt. 25 is talking about the millennium not the final resurrection.

- Mt. 25:41

25:31- is the 2nd Advent

25:46

- You can not punish a dead corpse only a conscience soul can be punished.

- The Bible does teach conscience torment in hell.

- It's called everlasting- Shame
Contempt
Punishment
Torment

- Mt. 25:46- if the life is eternal then the punishment is everlasting

- So the end of the Millennium in Rev. 20, that lake of fire in Edom that wasn't put out expands and becomes the final lake of fire where everybody from every age age go.

- The lake of fire on earth in the Millennium is a type of the lake of fire in eternity.

- Hell is real and people burn forever

- The Jw's are wrong

- The 7 day adventist are wrong

- The Catholic's about purgatory are wrong people burn

- This should inspire you as a Christian to go out and lead as many people to Christ as you can before its to late.

14:13- die in the Lord

- The expression "in Christ" is not used

- Paul's expression is "in Christ"

- However a man dies in the Tribulation he is not in the body of Christ, he was never born again.

- Their in the Lord but not in the body of Christ.

14:13- Henceforth- from this time forward

- From **14:10-11** from the time they take the mark of the beast.

14:9- The mark starts

- Fire comes out of his mouth and everything becomes pitch and brimstone, that cant be put out because it comes from the Lord.

- The Lord comes up to the river Jordan crosses and comes to Jerusalem through the eastern gate and sits on the throne to judge the nations **Mt. 25**

- Mt. 25:21, 23- The nations that treated the Jew right

- Mt. 25:41- The ones who treated the Jew wrong

- If a person doesn't go He tells him bind him hand and foot

- Mt. 25:13

- The angels will be there to help

- 2Th. 1:7-8

- So if a man doesn't voluntarily throw himself into the lake of fire the angels do it.

- The lake will be on earth in the millennium and if a man is tempted to sin all he has to do is look and see the lake of fire.

- This will be a great deterrent to sin

- But that doesn't stop it they will rebel in the end when the devil is cut loose.

- In the Millennium there will be a lake of fire in the land of Edom

- If a man takes the mark of the beast in the Tribulation that man goes into the lake of fire.

- And all through the Millennium he has no rest day or night and the smoke of his torment ascendeth up forever and ever

- 2Th. 1:7- This is the Advent not the resurrection

1:7- with his mighty angels

- Remember it said he will be tormented in the presence of his angels- here is the angels.

- Notice in every scripture there is no reference to the grave

- A JW is just playing with words he knows nothing about

- When Christ talks about hell he talks about a furnace of fire.

- Bind them hand and foot and throw them into the furnace of fire.

- How are you going to make that greek word the grave.

- Isa. 34 is talking about the 2nd Advent and the Millennium

- 34:5- Advent

- 34:6,8, 9-10- Advent

- 34:10- the day and night are right here

- These people will be tormented day and night

- When Christ comes back at the 2nd Advent people who have taken the mark of the beast will be thrown into the lake of fire on earth and be tormented day and night.

- The grave is not mentioned.

- The word for grave is not mentioned

- Sheol is not even mentioned.

- If you don't believe this look at **34:16**

- Isa. 34:16- Seek ye out the book of the Lord and read:
no one of these shall fail

- Isa. 66:22- On eternal state

- Isa. 66:22- New heaven and earth after the millennium

66:23- New moon- in eternity, marking the night

66:23- from one Sabbath to another

- Marking a 7 day week

- This is **Rev. 21-22** new heaven and new earth

- You do have day and night.

- So for some time in eternity you do have day and night

- Rev. 22 is an eternal state.

- Rev. 22:5- There will be no night in New Jerusalem

- There will be day and night in eternity but not New Jerusalem

- Rev. 22:5- They need no candle

- The ones in New Jerusalem

- Rev. 22:14-15- For without

- Isa. 66:24- They shall go forth

- It looks like people will come out of the city and be able to look on the lake of fire.

- Rev. 21:8

- When your in **Rev. 22** there is no grave, its talking about a place.

- Sheol and Hades means nothing

- The lake of fire is a place not the grave

- This is what the scriptures seem to indicate

- In this age here if a man dies his spirit goes back to God who gave it

- His soul goes into the center of the earth to a compartment called hell.

- Across from hell is a place called Abrahams bosom

- People will be tormented in this flame- Hell

- Lk. 16:19

- So the man is in some kind of fire in the center of the earth

- He stays in that condition until the White Throne Judgment

- And at the end of the judgment death and hell will be cast into the lake of fire.

- So the man is brought up and given a second chance

- His whole life will be brought up for review in every detail

- From there he will go to the lake of fire and it is for all eternity

- At the 2nd Advent Christ comes down and comes down the kings highway through Edom and turns it into fire which proceeded from his mouth.
