Comparing spiritual things with spiritual

The entrance of thy words giveth light
Ps. 119:130

9:1- The first covenant had ordinances it also had rules and regulations that were divine.

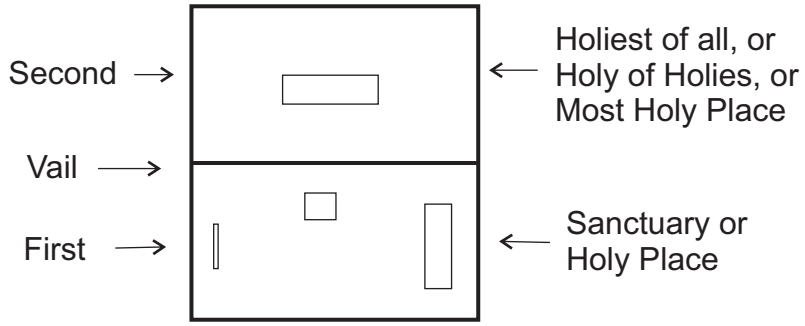

- They were holy

- The Levitical Priest

- They also had their own sanctuary- it was an earthly sanctuary

- It was of this world on the ground- earthy sanctuary

9:2- The author is describing this worldly sanctuary and he says in the Tabernacle

9:3- A veil separates the Holy place from the Holy of Holies, or Holiest of all

9:4- Describing the Holiest of all

- Inside the Holy of Holies you had the golden censer and the Ark of Covenant.

- The Ark was overlaid with Gold.

- Christ bore our sins at calvary, an unsaved man will bear his sins in hell.

- A child of God is freed from sin in the sense that his old nature is nailed and buried with Christ.

- His sins have been put away but he suffers the consequences of these sins.

- 1Cor. 5:1-10

- When Christ died he put our sins in hell at the great white throne judgment,

- Hell will be cast into the lake of fire.

- The sin of the world ends up in the lake of fire for all eternity.

- The truth of the text points to another biblical revelation that is found in:

- Mt. 12:40

- Acts 2:27, 31

- Eph. 4:8-12

- Christ became the personification of sin when He bore your sins in his own body.

- He no longer has them in his own body.

- He did not have them when He appeared to Mary Magdalene

- Mk. 16:9

- Jh. 20:17

- He was without sin and that is the way He will appear "unto them that look for him" when He appears at the end of Daniels 70th week.

- All sin winds up in the lake of fire.

- Rev. 20:11-14

- The sin of the world was deposited in hell prior to that time.

- Jh. 1:29

- Jesus Christ took sin there and left it there.

- It was literally "put away" **Heb. 9:26**

- Inside the Ark of the covenant was the golden pot that had manna, Aaron's rod that budded, and the tables of the covenant, the 10 commandments.

9:5- The ark of the covenant had above it 2 cherubims of glory

- They face each other and their wings cover the mercy-seat.

- The mercy seat in heaven is where God seats.

- Heb. 8:5

- Heb. 9:24

9:5- Paul said you can't give specific's about it. That shows how holy this place is

- Why did Paul say that?

- 2Cor. 12:1-4

- When Paul went to the 3rd heaven he said he heard unspeakable words which is not lawful for a man to utter.

- The things in heaven are not to be described or told.

- You cannot describe the mercy seat in heaven because its to wonderful.

- 1Cor. 2:9

- Have you ever noticed everyone is trying to get to heaven.

- Or build something that looks like heaven

- When Satan was cast out he now talks to God from under neath the sea of glass.

- Looking from under neath the sea of glass gives a distorted view of heaven.

- Jh. 14- Jesus is building us a new mansion.

- He is rebuilding heaven for us and all them fallen angels are infatuated with what's going on in heaven.

- Because they can't go back.

- The tower of Babel, the gigantic building of today, star wars, those angels want to get back to heaven.

- Isa. 14:12- 13

- I will ascend into heaven- Satan is heavenly minded.

- Most Christians are earthly minded.

- The Devil could care less about the earth, you can have it he wants heaven.

- Isa. 14:12-14- This is a Luciferin mentality.

- Satan don't know what's going on in heaven anymore so he don't want you to know either.

- He want's you to be caught up in the world, drugs, liquor, horse racing, fashion, gambling, boating, hunting, fishing and any other thing that will keep your eyes on this world.

9:6-10- There is nothing particularly difficult about these verses.

- No Greek text is needed to explain or clarify any point.

- The student needs no under standing of Greek grammar or syntax to expound the text to others.

1- A post-Tribulation rapture

2- A Millennial reign.

- All Greek scholars and all false cults missed it.

9:28- ...**Shall he appear** the second time **without sin unto salvation.**

- Christ is sinless when he appears the 2nd time

- But your thinking wasn't he sinless the 1st time.

- When Christ appeared the first time He was sinless.

- But he did three things that would block our text if He **appears** in the future as He appeared in the past.

1- He became a curse for us.

- He will not be a curse for us at His 2nd Advent.

2- He became sin for us.

- 2Cor. 5:21

- H will not have sins on Him at the 2nd Advent.

- He had our sins in His own body at his first appearing.

- 1Pet. 2:24

3- He took away sin and carried our sins away with him at his first appearing.

- Jh. 1:29

- Heb. 9:28

- Almost every heresy is a truth miss placed.

- Here we have the doctrinal explanation for **Heb. 12:14** and **Mt. 5:8**

- Both are aimed at Jewish Hebrews.

- When you accept the KJV as the word of Truth it clears up all the false doctrine.

- Notice that the verse not only points out a post trib. rapture.

- But it forces the reader to consider **Heb. 12:14-** that without holiness no man shall see the Lord.

- Isa. 26:9-10-...For when thy judgments are in the earth, the inhabitants of the world will learn righteousness. Let favor be shewed to the wicked, yet will he not learn righteousness; in the land of uprightness (Millennium) will he deal unjustly and will not behold the majesty of the Lord

- Isa. 26:9-10 is the 2nd application of the text.

- It has to do with the Millennium after the 2nd Advent.

- Zech. 14:16-17

- In the Millennium Christ is reigning on earth and the wicked will not behold His majesty so they get punished by bad weather and bad crops.

- Zech. 14:18-19

- They don't see Him literally because they are not holy literally.

- There are 2 applications doctrinally

9:6- The service of God is the service described in Exodus and Leviticus.

9:7- 2nd is the Holy of Holies.

9:7- The offering once every year was on the great Day of Atonement in the 7th month.

- Ex. 30

- Lev. 16, 23

9:8- The Holy Ghost this signifying

- The Holy Ghost by giving instructions found in Exodus and Leviticus signified this- What?

9:8- That the way into the holiest of all was not yet made manifest, while as the first tabernacle was yet standing.

- So the holiest of all has to be a reference to something beyond the Holy of Holies in the Levitical tabernacle.

- 9:24- The Mosaic tabernacle and everything in it were figures of the true.

- Ex. 25:40- God told Moses to make everything according to the pattern.

- The true pattern is the Tabernacle in the 3rd Heaven.

- If you want to know what the 3rd heaven looks like its not in Genesis its in **Exodus chapters 25-31**

9:9- ...That could not make him that did the service perfect, as pertaining to conscience

- 10:1-3, 11

- This statement is found in **10:1-3**

- The high priest comes out of the holy of holies after completing the required sacrifice and what does he do he defiles his conscience.

- He knows he is quilty and he sweats it out until the day of Atonement where he goes through the whole thing again.

- The congregation outside the tabernacle goes through the same traumatic experience.

- A man under the law had no assurance of Salvation once a sin was committed.

- His conscience goes to work and the doubts flood in.

- The OT is faith and works.

- Rom. 10:5

- Eze. 18:1-24

- Deu. 30:16

- Jh. 1:17

- A man under the law had no absolute assurance of a completed salvation.

- Ps. 51:11- David was afraid of losing his salvation

- 2Sam. 7:15- Saul loses his salvation.

- Jud. 16:28- Samson loses his and gets it back later.

- Lk. 21:34

- Mt. 25:26-30

- Will he appear to them?

- If a man cannot “see the Lord” without “holiness” and only the pure in heart shall see God

- Heb. 12:14

- Mt. 5:8

- How will all the church age saints make it at this rapture.

- Answer- They won’t

- There is no reference to a pre- Tribulation rapture in the passage.

- The passage is on the 2nd Advent and the appearance was to Post-Tribualtion saints

- Mt. 24:29-31.

- There is a split rapture **Mt. 25:1-10** just before the 2nd Advent of Christ.

- This is why many preachers that don’t know how to rightly divide the word of truth think that there is going to be a split rapture of the Church age saint.

- Only the pure spotless bride of Christ would be caught up.

- The half that isn’t right with the Lord will have to go through the Tribulation and get raptured later.

A- Enoch represents the pre-Tribulation rapture of the body of Christ.

B- Moses represents Tribulation saints who die in the Tribulation and come up to die in the Millennium.

C- Elijah represents the Tribulation saints who are alive at the post- Tribulation rapture and live, but they go into the Millennium to die there.

- Moses who dies twice is also pre-figured by:

- Jairus daughter,
- the widow of Nain's son,
- the Shunamite's son,
- Eutychus,
- Lazarus
- Jonah
- Dorcas and others.

- This explains how saved people who are not in the Church age or the Body of Christ appear at the White Throne Judgment to be rewarded according to works.

- Rev. 22:14

- It also explains why they have to earn a right to the "Tree of life" by works to keep from dying again.

- What is always obscure in the original Greek text is perfectly plain in the KJV.

9:28- ...Unto them that look for him.

- What about those who don't look

- Mt. 25:5- There are some who are not looking for him.

- Heb. 11:32

- Many false religions sweat it out from one Church service to the next

- Did they do enough, what if he dies before the next service?

- Their under bondage of their religion

9:10- The reference is to the numerous rules and regulations that accompany the sin offerings, the burnt offerings, the peace offerings and the free will offerings in **Lev. 1-20.**

9:10- Divers washing's

- This is the correct way to translate Baptismois- Av1611

- The KJV always translates it the correct way as in:

- Mk. 7:8- ...Washing of pots and cups.

9:11-14- Notice as we read these passages there is no need for any Greek.

- God has written the King James Bible so the common man maybe able to understand it.

9:11- An high priest of good things to comes

- Those good things have not come yet.

- Jesus Christ is now a High Priest of a redemption that is still future.

- As far as its completion is concerned.

- This is emphasized in **9:28; 10:25,37; 12:1, 26**

9:11- ...By a greater and more perfect tabernacle, not made with hands.

- 9:24- There evidently is in heaven a tabernacle like the one that Moses built.

- The heavens follow this pattern.

- Rev. 8:3- Altar and incense

- Rev. 16:1- Temple

9:12- ...But by his own blood he entered in once into the holy place, having obtained eternal redemption for us.

- 9:23-24- We will take all 3 text together and see what it says.

1)- 9:24- Heaven itself

- This is a true antitype of the Mosaic tabernacle.

- Antitype- The person or thing represented or foreshadowed by an earlier type or symbol.

- Example- The shadow illustrates a type, It does not have substance of the person but forecasts an image of that person, The person is the Antitype.

- Heaven itself is the true antitype of the Mosaic tabernacle.

2)- 9:24- The holy places in heaven are made without hands for they are true.

3)- 9:23- There are heavenly things in the heavens that had to be purified with blood.

- He is a type of the pre-Tribulation rapture

- Before the days of Noah where the living saints are caught up without dying.

- Jh. 11:26

- 1Cor. 15:53-55

- Those who teach that the church goes through the Tribulation have no answer for this type.

- Enoch is caught up before the flood not after.

2- There was a man who died once and was buried, but he was unburied later and shows up 1500 years later alive. - Moses

- Deu. 34:5-6

- Jude 9

- Mt. 17:2-8

- This man will return to earth to die twice.

- Rev. 11:1-6

3- Elijah

- Elihah was caught up as Enoch alive, but he will come to Jerusalem during the Tribulation and have his head cut off.

- 2Kg. 2

- Rev. 11:7-8

9:26- The putting away of sin has to do with the Lord Jesus Christ becoming sin personified so as to carry it off literally and place it where it could no longer affect the human race.

- 2Cor. 5:21

- Jh. 3:14

- Although sin is present and sins can be committed and will be committed until **Revelation chapters 21-22** sin in Gods eyes has been “put away” through his son.

- A sinner who trust that son for his sin payment winds up sinless.

- 1Jh. 3:1-3

9:27- And as it is appointed unto men once to die

- This is a great soul winning verse but it is a general statement not a doctrinal statement on doctrine.

- It is a general statement giving a general truth for purposes of illustration

- The illustration is **9:28**

- Hosea 12:10

- Many men in the Bible have died twice.

- Gods purpose in presenting Enoch, Elijah, and Moses was to show the believer 3 important types of things in the future.

1- There is a man who never died and will never die- Enoch

4)- 9:23- The earthly things were types of these things as patterns.

5)- 9:24- Christ as a high priest goes into these true holy places by means of his own blood.

- 9:12-

- Lev. 17:11- the life of the flesh is in the blood

- Gen. 9:4

- Christ had God’s blood in him.

- Acts 20:28

- Then it had to be eternal blood because eternal life was in Christ.

- 1Jh. 5:10-13

9:13- Notice the blood of an animal only purifies the flesh not your soul.

9:14- Blood

- The blood was the means of Christ entering the 3rd heaven not his sacrifice.

- The Bible said that this blood was used to purify things in the heavens.

- Not an earthly sacrifice for sinners down here.

- The Bible says that the term “sacrifice” alone is inadequate if you forget to add what was done with the blood of that sacrifice

- 9:7, 12-14, 18-22, 25

1- Over head somewhere is a vast body of water.

- Gen. 1:3-6

- The top of this water is frozen crystal at absolute zero.

- Job. 38:30

- Rev. 15:2

2- There is a door or opening through this sea fo glass which is likened to a tear of rip in a veil or a peace of clothing.

- Mt. 27:51

- Heb. 1:11-12

3- If the city of Jerusalem (as well as the temple) is some kind of type of the heavens

- Heb. 9:23-24

- Then the 12 gates on the earthly Jerusalem have some antitype in Heaven.

- Three of those gates are called, Fish gate, Sheep gate, and Horse gate,

- Neh. 3:1, 3, 28

- You fish for men and they go up through water and into the gate

- You call your flock up to the sheep gate at the rapture and you lead them out at the 2nd Advent on horses.

- Jh. 10:1-6

- Tit. 1:1-2

- The actual begatting of the testator who would die once does not take place before the foundation of the world.

- Heb.1:6

- Heb. 10:8-12

9:26- ...But not once in the end of the world...

- This is one of the verses the Lord used to throw 98% of the scholars off track when they try to wade through the last days of Hebrews.

- Heb. 1:2

- Since the end of the age was connected with Christ death as it is in **9:26** it is assumed that the end of the world is 33AD to 2024 which it is not.

- See commits under **Heb. 1:2**

9:26- ...To put away sin

- It is extremely important for us to notice why this wording occurs as it does immediately before " He shall appear the 2nd time without sin"

- **9:28**

- Because all of the scholars are going to miss it and pervert the passage.

- 99% of all bible colleges mess this up because they don't believe in God's word the KJV1611

9:25- ...With the blood of others.

- This is a reference to Aaron and the animals they sacrificed.

- The death of animal testators

9:25- Others- other animals

- 9:19-...He took the blood of calves and of goats

- Your modern day scholars say **9:16-21** there is no death of the testators in the OT

- The animals deaths stood for the death of the man who offered it.

- Read **Lev. 1-4**

- HE was a testator by proxy, and Abraham's case was given to give light on this important biblical doctrine.

- Gen. 22:13- compare with **Heb. 11:17**

- You notice how the KJB is so clear and easy to understand.

- You don't have to go to the Greek or the original auto-graphs they shed light on nothing.

9:26- For then must he often have suffered.

- Which he did not.

- The slain from the foundation of the world **Rev. 13:8** is only a picture in Revelation of what God had in mind before the foundation of the world.

- Acts 2:23

- Neh. 3:28

- Your getting something out of this King James Bible you can't get out of the original manuscripts.

- The originals shed no light on the Word of God.

4- When Christ dies he sheds all of his blood

- Jh. 19:34

- His resurrection body is flesh and bones.

- Gen. 2:23

5- When the Lord Jesus came down through that water He picked fishermen for his first two disciples.

- He allowed himself to be immersed in water at the inauguration of his ministry.

- Mt. 4, Mk. 1-2

- When he went back to heaven, he went back up through that water twice.

- Jh. 20:17

- Acts 1:9-10

6- When the Lord Jesus Christ sheds that blood (beginning at Gethsemane) a transaction is taking place in the realm of physics that no modern physicist or funda-mentalist knows anything about.

- Isa. 50:7-9

- Col. 2:14-15

- These verses describe an invisible warfare that took place literally between **Mt. 26-28**.

- Heb. 9:21-26- describes an invisible catalysis that was transacted in this universe without one eye observing it.

- The pagan Roman Catholic mass with its transubstantiation is the counterfeit of this genuine universal meatmorphosis.

- A Bible Believer notices the following

1- Adam's water circulation turned to blood.

2- Pharaoh's rivers turned from water into blood.

3- Tribulation sinners having their water turned into blood.

- Rev. 16:4-6

4- Christ transsubstantiations of water into a type of his blood.

- Jh. 2:2-4

5- The identity of the eternal spirit and eternal blood with water.

- 1Jh. 5:7-8

- The water above the solar system became a red sea at the death of Christ.

- Observe that once these biblical truths are believed, Like Israel going thru the Red Sea not the Sea of Reeds.

- Religious scholars will lie to you

- Heb. 11:29

- Satan

- Rev. 6:2- The white horse rider is called Jesus Christ by all the scholars

- But actually the antichrist imitates Christ so well the modern bible scholar who has rejected the KJB for the original autographs think he is Christ Jesus.

- The NIV is so fooled they call Lucifer the morning star in **Isa. 14:12**, which is a title given to Christ in **Rev. 22:16**

9:23-24- Have been commented on already.

9:25-28- There are two tough passages in this portion

9:27- ...It is appointed unto men once to die.

9:28- ...Without sin unto salvation.

- The people who have trouble with these verses are the one's who don't believe in the King James Bible and have to run off to the Greek.

- We stand on the infallible King James Bible the authorized version 1611.

- It is the only Bible for the Laodician church age.

9:25- Nor yet that he should offer himself often.

- The Baalite Roman Mass. offers up Christ every Sunday

- Christ offered up himself one time and He will never let his creation kill him again.

- Heb. 10:10-14

- Where the word “scripture” or “scriptures” is applied to this living book it is never in reference to the oringal autographs.

- That is a lie taught by scholars.

- The Bible is a bloody book.

- Around its edges you will often find gold.

- This represents the gold with which all the furniture of the tabernacle was overlaid.

- That means the King James 1611 Bible is a divine book.

- If the pages are not edged in gold then they are colored in red- a bloody book.

- It speaks of the shedding of blood before it has gone four chapters- **Gen. 4**

- The blood doesn’t stop there until the book of **Revelations 20**

- The Bible normally has black covers

- Its your little black book.

- A book that deals with sin and death.

- All other false bibles are satanic, they have to counterfeit or imitate the King James in order to sell.

- Checkout the false bibles on the word “Imitate”

- NIV- **Eph. 5:1-** Be imitators of God.

- Everybody knows who the great imitator of God is.

- The whole episode of the exodus takes on an entirely different flavor.

- All of the passages began to open up regardless of the verbal plenary inspired original autographs.

- Hab. 3

- Jud. 5

- Ps. 68

- Jonah 2

- The blood that Christ shed only the physical components visible to the eye dried up on Golgotha’s hill and Gethsemane’s bloody garden.

- Acts 20:28- God’s blood is not to be disposed of in that fashion.

- God lives forever therefore his blood is still available it can be applied in the spirit realm.

- 1Jh. 5:20

- The writer of Hebrews is putting this doctrine on the reader.

- Heb. 9:14- Notice present tense.

- If you are saved in this age you are in a body that has a blood stream and you have been literally “washed in the blood of the lamb”

- Eph. 5:30

- Rev. 7:14-

- The tribulation saints wash their own robes and make them white.

- That is works.

- The second you believed on Christ you were washed in the blood of Christ, your salvation is free, it was given to you.

- Rev. 1:5

- Rom. 5:15-16, 18

- The Lord affected the nature of the universe by his sacrifice and not only accompanied it with earthquakes and non scientific eclipses, but with a rending of a hole in the top of a poncho northward that constituted His clothing and matched the rending of his flesh since the of clothes symbolizes this very act.

- Mt. 27:45

- Jh. 19:23

- Ps. 75:5-6

- Isa. 14

- Heb. 1:12

- Heb. 10:20

- Gen. 37:34

- 2Kg. 19:1-2

- When Christ ascends, He goes up through the Red Sea incarnadined (having the reddish pinkish color of flesh) by His own blood.

1- The AV text is 100% percent right.

2- Let God be true, but every man a liar.

- Rom. 3:4

3- Never mind the Alexandrian cult of Greekolaters who think they are right and the Bible is wrong.

4- Always correct the bible correctors with the Bible.

9:17- A testament is of force after men are dead

- This verse proves that the dying thief died under the NT not the OT.

- Jh. 19:32-33

- Christ was already dead when they broke the legs of the two thieves.

- The thief died after Christ died so a sinner can go to heaven without the law, works or water baptism.

9:20- This is the blood of the testament which God hath enjoined unto you

- This reference is to **9:18-19** which were performed by Moses in **Ex. 24** and **Lev. 14**

- Observe that “The Book” is sprinkled with blood.

- Since the life of the flesh is in the blood

- Lev. 17:11

- We have a living book.

- The perversion of “testament” to “covenant” (NKJV, RSV, ASV, NASV, NIV, NEB) and the further perversion of “testament to “will” (ASV, RSV, NRSV, NIV, NEB) was nothing but unnecessary critical revision by ignorant men who wanted you to think that they were spiritual.

- By changing the word to covenant they have come to the conclusion that were are only 2 covenants in the Bible

- One of works and one of Grace or Redemption.

- That is not correct there are 8 covenants.

- Any covenant that involved the death of someone could properly be called a “testament”

- The collective deaths of the OT sacrfices from Moses to **Mt. 27** constituted an OT being replacd by the singular death of the lamb of God (**Gen. 28**) in **Mt. 27** constituting a NT.

- Since the testator died and left a “testament” the new “covenant” should properly be translated “testament”.

- Like it has been translated in every edition of the authorized version from 1611- 1982

- Heb. 7:22, 9:15-17, 20

- Mk. 14:24

- Mt. 26:28

- There are ground rules the student of the KJ Authorized version can go by

- **Heb. 9:12-**...By his own blood he entered in once into the holy place

- The blood did not have to be presented in a censer or a bucket before the mercy seat as in the case of Aaron on earth.

- Christ blood filled heaven and earth as it came forth from the God-man

- 1Tim. 3:16

9:13- ...To the purifying of the flesh

- Notice the blood of animals could only affect the flesh not your soul.

9:14- This verse is one of the greatest verses on the promises found in the Bible on personal victory over sins of the mind and imagination.

- 2Cor. 10:4-5- For comparison.

- It shows the believer that he can “plead” the blood for old thoughts, old imaginations.

- A Christian can apply that blood to his inner thoughts, or psychological being so that it burns out (purges) the conscience

- Rom. 6:23- compare

- This is one of the greatest if not the greatest weapon for spiritual warfare found any where in the Bible where the warfare is inner in the old nature of the believer.

- A knowledge of dead works is what keeps a christian messed up.

- Especially if he was saved late in life.

- Have you ever just sat around and started thinking about something you did years ago?

- You know you are cleansed and forgiven but the stuff keeps coming back in your mind to the point it only depresses you and becomes a serious source of temptation to sin.

- You are to immediately plead the blood of Christ and get the blood of Christ on your thoughts

- You use the blood as a cleansing agent to purge it an burn it out.

- Ask the Lord to wash your thoughts in the blood.

- The blood can reach levels of your conscience and sub-conscience and subliminal levels that no doctor or electro shock therapy can.

- If you doubt the ability of the blood of Christ to purge your conscience, then apply it and find out.

9:15-24- We have covered much of these verses already.

9:13- ...Sprinkling the unclean, sanctifieth to the purifying of the flesh.

- This is a reference to the activities of **Lev. 16** and **Num. 19**

9:14- How much more

- The blood is a purifying agent which can be applied to the sinner, exactly as the water, ashes, etc. of 9:13 were applied to the sinner.

9:15- He is the mediator of the NT.

- The word “testament” was removed from the NT (all 5,880 verses) in 1881-1885 by Westcott and Hort and the corrupt Americans of 1901 followed suit.

- These were followed by the corrupt Americans of 1952 (RSV) the corrupt Americans of 1962 (Nasv), the corrupt Americans of 1973 (NIV) and all subsequent corrupters.

- 2Cor. 2:17

- That’s why all these groups removed the word “corrupt” from **2Cor. 2:17**.

- The NKJV did the same thing

- The NKJV corrupters forgot that the Greek word for covenant (Diatheke) that was used here **Heb. 9:15** was the same one used in **2Cor. 3:14**

- They forgot and translated “Diatheke” as “Testament”

- These false bibles make a mess of the rest of the chapter

- Some change it to covenant and some to will, like his last will and covenant.

- The term “testament” was the right word to start with and the right word to end with.

- Because a last will and testament is both a covenant and a will.

- The Authorized Version covered all the scriptural possibilities with one shot, one time and it retained it through 370 years without an error.
